

## Christian Science Society of Boonville Irrevocable Trust

### Background on the Trust:

When the Christian Science Church in Boonville, Indiana disbanded in 1994, a trust was established in order to carry on the church's values and help support the Warrick County community. Peoples Trust and Savings Bank was appointed the Trustee of the Christian Science Society of Boonville Irrevocable Trust, to be administered by its Trust Department, for the following purposes:

“ Trustee shall distribute all or part of the net income of the trust on a not less than annual basis to not-for-profit charitable, civic, educational or community organizations in Warrick County or which serve Warrick County Residents for non-denominational, non-medical Christian purposes, including those that administer to the needs of those less fortunate in Warrick County. The Trustee, in the Trustee's sole discretion, shall determine which organizations would receive the distributions of net income of the Trust Property, and the pro-rata share of each beneficiary. All such organizations to which distributions may be made shall be of the type described in Sections 170(c), 22055(a) and 2522(l) of the Internal Revenue Code of 1986.”

Solicitations are accepted at any time, up to and including September 15<sup>th</sup> of each year. Any solicitations received after that date will be kept on file and considered for the following year's distribution.

The Trust Committee meets in October to review the requests and determine the recipients of donations. The distribution presentation is held in November.
